

Remarks

In the office action, the Examiner has rejected claims 2, 44-25, 52, 54-56, 58-60, 70-80, 82-83 and 85-89 under 35 U.S.C §112, first paragraph for failing to comply with the written description requirement. The applicant has cancelled claims 2, 44-25, 52, 54-56, 58-60, 70-80, 82-83 and 85-89.

New claims

The applicant has presented new claims 90-109. Each of the new independent claims, namely, claims 90, 99 and 105 is directed to a method, a system and a computer readable medium, respectively, for redirecting information between a messaging host system and a wireless mobile data device. Specifically, each of the independent claims recites limitations relating to receiving an automatically generated notification at a redirector component indicating receipt of a mail item from a sender by the messaging host system, processing a copy of the mail item at the redirector component to add address information associated with the wireless mobile data device and to encrypt the copy of the mail item, sending the encrypted copy of the mail item from the redirector component to the wireless mobile data device over a wireless network, receiving an encrypted reply mail item from the wireless mobile data device at the redirector component, decrypting the reply mail item at the redirector component and interfacing the reply mail item to the

messaging host system by the redirector component such that the reply mail item is sent to the sender. The applicant believes that independent claims 90, 99 and 105 as well as the claims dependent thereon are allowable.

Fee Statement

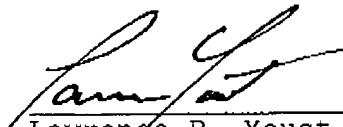

The number of independent claims has been reduced and the total number of claims has been reduced. The applicant is filing herewith, a Request for Continued Examination and a Petition for a Three-Month Extension of Time. Form PTO-2038 is enclosed herewith authorizing payment of \$1,810.00 (\$790.00 for the RCE and \$1,020.00 for the three-month extension of time). Applicant believes no additional fees are due for the filing of this response. If any additional fees are due or any overpayments have been made, however, please charge or credit our deposit account (Deposit Account No. 03-1130).
